Established in 1965, TBH has offices across Australia employing approximately 200 staff. TBH has an innovative and nurturing culture and recognises our staff as our greatest asset. Some of the great benefits of working with TBH are:

- Real career growth
- Mentoring program
- Training
- Paid parental leave
- Employee assistance program
- Work/life balance
- Travel discounts
- Social events

So If you like what you've seen so far, submit your application - we'd love to hear from you

ABOUT THE OPPORTUNITY....

The Cost Consulting business within TBH is growing and we are now seeking Graduate Quantity Surveyors to work on a wide range of construction and engineering projects. This is a great opportunity for someone who has a strong desire to develop a career as a Quantity Surveyor and is prepared to work towards MRICS/AIQS.

The role will report to a Director/Associate. Support will be provided to achieve professional qualification.

NOW ABOUT YOU...

- New Graduate with a Quantity Surveying degree
- Knowledge and understanding of construction and/or engineering industries
- Knowledge and understanding of the full range of pre and post contract quantity surveying services
- Knowledge and understanding of cost management
- Ability to work in a team environment
- Good oral and written communication skills
- Good time management skills

If you are interested in this opportunity, please forward a covering letter, your CV and a copy of your academic results today to recruit@tbh.com.au . For further information, contact Kay Johnson, Human Resources Consultant on 02 9922 2511.

TBH is an equal opportunity employer and encourages all qualified candidates to apply.
