

# Built Environment HDR Publication Incentive Scheme

HDR candidates who have a paper accepted for publication in a Scopus-indexed journal during their candidature will receive a monetary award as stipulated below:

- Publication in Q1 journal: \$750
- Publication in Q2-Q3 journal: \$500
- Publication in Q4 journal: \$250

## Eligibility Criteria

- Accepted for publication in a Scopus-indexed journal as listed here: <https://www.scimagojr.com/journalrank.php>
- The HDR candidate must be the first author.
- At least one supervisor must be included as a co-author.
- The publication must be directly related to the research project of the candidate (the topic or the title of the research on GRIS may be used to assess this criterion).
- For PhD candidates, only the second Scopus-indexed journal paper onwards will be awarded the incentive.
- UNSW Built Environment must be the affiliated institution stated on the paper.
- The paper must be registered on ROS: <https://ros.unsw.edu.au/login.html>.
- The paper must be accepted on 1 June 2019 onwards.
- Candidates are no longer eligible once they receive a completion letter or one year after their thesis submission (whichever comes first).
- Candidates who obtain PhD Publication Award are not eligible.
- PhD candidates who have exceeded 4 EFTSL and Master candidates who have exceeded 2 EFTSL are not eligible.

## How To Apply

Email the following documents to Dr Riza Yosia Sunindijo, Director of Postgraduate Research, at [r.sunindijo@unsw.edu.au](mailto:r.sunindijo@unsw.edu.au):

- Acceptance email from the journal, including the date of acceptance.
- Screenshot that the paper has been registered on ROS.
- Proof that UNSW Built Environment is the affiliated institution stated on the paper.

### Disclaimer

This incentive will be reviewed regularly. The Director of Postgraduate Research have the right to modify the eligibility criteria and the incentive amount at any time. All HDR candidates shall be informed of any change.
