

# UNSW Built Environment Bachelor of Architectural Studies

## First Year

T1	T2	T3
ARCH1101 Architectural Design Studio 1 6 units of study	BENV1015 History of Design Thinking 1 6 units of study	ARCH1102 Architectural Design Studio 2 6 units of study
BENV1010 Communications 6 units of study	ARCH1161 Architectural Science & Building Environment 1 6 units of study	Elective 6 units of study
ARCH1080 Introduction to Architecture & Enabling Skills 6 units of study	ARCH1162 Construction & Structures 1 6 units of study	

## Second Year

T1	T2	T3
ARCH1201 Architectural Design Studio 3 6 units of study	ARCH1222 Architectural History & Theory 2 6 units of study	ARCH1202 Architectural Design Studio 4 12 units of study
CODE2170 Building Information Modelling 6 units of study	ARCH1261 Construction & Structures 2 6 units of study	
Elective 6 units of study	Elective 6 units of study	

## Third Year

T1	T2	T3
ARCH1311 Architectural Design Studio 5 6 units of study	ARCH1302 Architectural Design Studio 6 12 units of study	ARCH1322 Architectural History & Theory 3 6 units of study
ARCH1331 Architectural Fabrication 6 units of study		Elective 6 units of study
Elective 6 units of study	ARCH1361 Architectural Science & Building Environment 2 6 units of study	

## Optional Honours

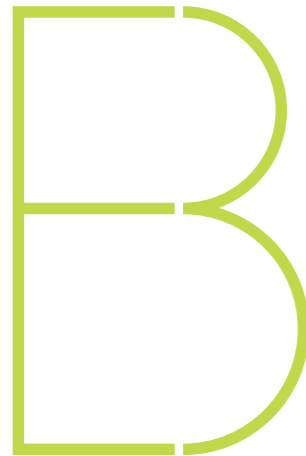

T1	T2	T3
ARCH1481 Critical Review of the Literature 12 units of study	BENV4000 Research Methods 6 units of study	ARCH1483 Honours thesis 18 units of study
	Elective 6 units of study	
Elective 6 units of study		

### Structure

# UNSW Built Environment Bachelor of Architectural Studies - One Year program

## First Year

T1	T2	T3
ARCH1311 <b>Architecture Studio 5</b> 6 units of study	ARCH1302 <b>Architecture Studio 6</b> 12 units of study	ARCH1311 <b>Architecture History &amp; Theory 3</b> 6 units of study
ARCH1331 <b>Architectural Fabrication</b> 6 units of study		<b>BEIL Elective</b> 6 units of study
CODE2170 <b>Building Information Modelling</b> 6 units of study	ARCH1361 <b>Architectural Science &amp; Building Environment 2</b> 6 units of study	

This one year program is only available to graduates of the UNSW Bachelor of Interior Architecture and is a pathway into the professionally accredited UNSW Master of Architecture program.
